OBJECTIVE

Seeking a position as a developer. Available for a cooperative education from May 2020 to August 2020, and full-time starting January 2021.

EDUCATION

ROCHESTER INSTITUTE OF TECHNOLOGY

August 2016 – December 2020 (Rochester, NY)

Bachelor in Game Design and Development, expected December 2020

Minor in Entrepreneurship

GPA: 3.93.

PROJECTS

Snoverload

March 2019 – Current

- ▶ Hyper-casual infinite runner built for Android and iOS.
- ▶ The game was developed over the span of a few months and is the first published game under Ardin Interactive.
- ▶ Learned how to work with the restraints of mobile development and understanding mechanics that make games entertaining and replayable.

Ardin Interactive, LLC - President

August 2019 – Current

- ▶ Mobile Game Studio located in Rochester, NY.
- ▶ Created by three students from RIT studying Game Design & Development
- ▶ Learned the importance of organization and planning while creating the LLC, as well as reviewed forms for taxes and document filings for legal documents.

EXPERIENCE

Retail Business Services – Front-End Web Developer

June 2019 – December 2019 (Quincy, MA)

- ▶ Full-time employee at Retail Business Services working on various projects to be utilized for internal and external purposes using a range of various front-end web technologies.
- ▶ Job has helped produce not only a better understanding of various front-end applications and tools, but also improved communication and planning between co-workers and superiors, teaching the importance of meetings and the Agile process.

Northridge Church – Full stack Web Developer

August 2018 – December 2018 (Rochester, NY)

- ▶ Intern at Northridge Church working as a full stack web developer creating a time tracking web application for internal use for the church to analyze data.
- ▶ Job helped to develop skills in the areas of frontend and backend development as well as taught me to be productive and learn while being the only staff member with knowledge and skills with web technologies.

Cru – Web Design Intern

June 2018 – July 2018 (Orlando, FL)

- ▶ Intern at Cru headquarters creating a web-based version of a mobile prayer app for Android and Apple devices.
- ▶ Job increased understanding of working on teams, Git use, communication, and app development growth.
